WHO CAN SAVE OUR PLANET?

People depend on the planet, on the Sun, on animals and plants around them. People must take care of the Earth. Our becomes worse and worse with every new day. People destroy and cut down trees to make furniture. They forget that they can't live without trees and plants, because they fill the air with Oxygen is necessary for our We can't stay indifferent to these problems.

There are a lot of special organizations which are trying to save our nature. One of them is Their aim is to help to survive, to rescue animals, to save , which are in danger of destruction. We must find the right way to save our land, people and animals. We must take care of because we are a part of it.
